Memorandum of Understanding

Between

SSBES' Institute of Technology and Management, Nanded, Maharashtra State, India

and

SVS Group of Institutions, Warangal, Telangana State, India

This Memorandum of Understanding (MoU) is made and entered into on the 3 April day of Monday, 2023 by and between SSBES' Institute of Technology and Management, Nanded, Maharashtra State, India and SVS Group of Institutions, Warangal, Telangana State, India to conduct an international conference every year in association with London Institute of Skill Development, UK.

शरदा भवन
Director
Shri Sharda Bhavan Education Society's
Institute of Technology and Management,
NANDED

WHEREAS, both institutions wish to collaborate and create a mutually beneficial relationship to promote academic cooperation, research and development in their respective areas of expertise; and

WHEREAS, the parties acknowledge the value of international conferences in disseminating knowledge, promoting research, and providing a platform for academic and professional interactions; and

WHEREAS, the parties recognize the importance of a skilled workforce and the contribution that skill development makes to the economic growth of their respective countries.

NOW, THEREFORE, the parties agree as follows:

The two institutions shall work collaboratively to help to organize an international conference every year in association with London Institute of Skill Development, UK.

The conference shall cover topics related to the fields of engineering, science, technology, Social Science, management, law, Pharmacy, medical sciences, humanities, multidisciplinary studies and education.

The conference shall aim to bring together academicians, educationists, researchers, industry experts, policymakers, students, and other stakeholders to share their research and experience, discuss current issues, and identify future trends in the relevant fields.

The SVS Group of Institutions shall bear the expenses related to organizing the conference, including deciding venue, and all conference hosting expenses viz. all conference kit, food, breakfast, tea, technical arrangements viz. wifi, audio-video aids, laptops, high speed internet, mikes chairs and furniture, conference hall, banners, zoom/google meet app needed for live conference sessions, technical support staff identifying and arranging key note speakers with their all hospitality expenses, broadcast arranging local tours with transport and related expenses etc.

The institutions shall appoint a joint organizing committee, consisting of representatives from both institutions, to plan and coordinate the conference.

The institutions shall work together to invite keynote speakers, distinguished experts, and renowned scholars to deliver lectures and participate in panel discussions.

The LISD institute shall collaborate to publish and disseminate the conference proceedings, either in print or electronic form. All these expenses to be borne by LISD, London with all the expenses international marketing.

The institutions shall explore opportunities for joint research projects, faculty exchanges, and other academic activities to promote research and development, as and when possible as per their respective academic calendar.
