Introduction:

Guru Nanak Jayanti, also known as GURPURAB, is one of the most significant festivals celebrated by Sikhs all around the world. It commemorates the birth anniversary of Guru Nanak Dev Ji, the founder of Sikhism and the first of the ten Sikh Gurus. In our college, Guru Nanak Jayanti is celebrated with great enthusiasm and fervor, bringing together students, faculty, and staff to honor the teachings and principles of Guru Nanak Dev Ji.

Event Organization:

The celebration of Guru Nanak Jayanti in our college is typically organized by the Sikh Students' Association in collaboration with the college administration. Planning for the event starts weeks in advance, with various committees formed to oversee different aspects such as decoration, cultural performances, and logistics.

Masala Milk Distribution:

One of the highlights of our Guru Nanak Jayanti celebration was the distribution of masala milk. Masala milk, a traditional Indian beverage infused with aromatic spices like cardamom, saffron, and nuts, holds special significance during festivals. The masala milk was prepared by volunteers from the Sikh Students' Association and was distributed to everyone on campus, symbolizing warmth, hospitality, and the spirit of sharing.

Conclusion:

The celebration of Guru Nanak Jayanti in our college, coupled with the distribution of masala milk, was a memorable and enriching experience for all participants. Through cultural performances, religious observances, and educational activities, we paid homage to the profound legacy of Guru Nanak Dev Ji and reaffirmed our commitment to his teachings of love, humility, and service towards humanity. The distribution of masala milk served as a beautiful expression of hospitality, unity, and the spirit of sharing, bringing together the entire college community in joyous celebration.

International Mathematics Day Celebration 14 March 2024.

Dear Students,

We are excited to announce the upcoming celebration of International Mathematics Day at ITM College! This special event is dedicated to honoring the fascinating world of mathematics and its profound impact on our lives.

We are delighted to invite all students to join us for an engaging and entertaining session on "Magics and Tricks of Mathematics" presented by esteemed guest speaker, Dr. N. A. Pande, Professor in the Department of Mathematics at Yeshwant Mahavidyalaya, Nanded. Dr. Pande will unravel the mysteries of mathematics in a lighter and more entertaining manner, promising an insightful and enjoyable experience for all.

In addition to Dr. N. A. Pande's presentation, we will also have a prize distribution ceremony, where outstanding students will be recognized and awarded for their achievements in mathematics. This ceremony will be graced by the auspicious hands of Dr. N. A. Pande sir, adding a touch of honor and distinction to the occasion.

Date : 14 March 2024

Time : 11 a.m.

Venue : Seminar Hall, ITM College, Nanded.

Come and join us as we celebrate the beauty and significance of mathematics! Don't miss this wonderful opportunity to expand your knowledge, have fun, and be inspired.

For further details, please contact Dr. N. N. Bharkad.

We look forward to seeing you there!

Objective:

The objective of Math Day was to celebrate the importance and beauty of mathematics, foster a positive attitude towards the subject, and encourage students to engage in mathematical activities that promote critical thinking, problem-solving, and creativity. The International Day of Mathematics (IDM) is a worldwide celebration.

Each year on March 14 all countries are invited to participate through activities for both students and the general public in schools, museums, libraries and other spaces. The website of the IDM is idm314.org.

The proclamation of March 14 as the International Day of Mathematics was adopted by the Executive Council of UNESCO at its 205th session. It was adopted by the 44th session of the General Conference of the UNESCO in November 2019. The inaugural celebration of the IDM took place on March 14, 2020. The theme for 2020 was Mathematics is Everywhere.

An overview of the events and activities that took place within the scope of this theme can be found [here](#). In 2021, the theme was Mathematics for a Better World. An overview of events can be found [here](#).

Mathematics Unites was the theme for 2022, while in 2023 the theme was Mathematics for Everyone. A new theme every year: Every year we will announce a new theme to flavor the celebration, spark creativity and bring light to connections between mathematics and all sorts of fields, concepts and ideas.

Introduction:

Math Day, celebrated on April 14th, is an annual event dedicated to promoting appreciation and understanding of mathematics among students and the community.

This report provides an overview of the Math Day celebrations held on April 14th, including activities, participation, and outcomes.

History:

The idea of celebrating Mathematics Day on 14th March was proposed by renowned Indian mathematician, Shri C.P. Ramanujam. He was inspired by the significance of the date 3/14, which corresponds to the first three digits of the mathematical constant π (pi). Since its inception, Mathematics Day has gained prominence globally as a day to promote mathematical awareness and appreciation.

Purpose:

The primary purpose of Mathematics Day is to promote interest in mathematics and highlight its relevance in various fields. It serves as a platform to engage students, educators, professionals, and the general public in mathematical activities, discussions, and events.

Through interactive sessions and workshops, Mathematics Day aims to foster a deeper understanding of mathematical concepts and their applications in real-life scenarios.

Activities :

Public Lectures:

Renowned mathematicians deliver public lectures on topics ranging from pure mathematics to its applications in diverse fields such as physics, engineering, economics, and computer science.

Mathematical Exhibitions:

Exhibitions showcasing the beauty and importance of mathematics through interactive displays, demonstrations, and hands-on activities are organized to engage people of all ages.

Online Campaigns:

Social media campaigns, online challenges, and webinars are conducted to reach a broader audience and promote mathematical literacy globally.

Conclusion:

Mathematics Day celebrations on March 14th 2024 were a resounding success, bringing together students, educators, professionals, and enthusiasts to celebrate the beauty and significance of mathematics.

Through a diverse array of events and activities, participants gained a deeper understanding of mathematics and its relevance in today's world.

Moving forward, it is imperative to sustain this momentum and continue promoting mathematics education and appreciation throughout the year. This report concludes the overview of Mathematics Day celebrations on March 14th [2024].

October 23, 2023

Dear Chief Secretary

As you are aware, the Birth Anniversary of Sardar Vallabhbhai Patel, the architect of national integration of independent India, is observed as "Rashtriya Ekta Diwas" (National Unity Day) on 31st October, every year. This is an occasion to re-affirm the inherent strength and resilience of our people to withstand threats to the security, unity, and integrity of the country.

2. The Union Home Minister has already written to Chief Ministers of all States / Administrators of UTs for celebrating the occasion with enthusiasm and fervour (copy enclosed).

3. As in the past, Rashtriya Ekta Diwas Parade, with participation from State Police Forces, Central Armed Police Forces (CAPFs) and NCC cadets, is being organized on 31st October, 2023 at the Statue of Unity, Kevadia, Gujarat, to mark the occasion. This year, a campaign 'Meri Maati Mera Desh' is also being organized to honour our brave freedom fighters who sacrificed their lives for our Independence. The Rashtriya Ekta Diwas celebrations may be dovetailed with this campaign as a mark of respect to our brave freedom fighters. Alongwith the Pledge taking ceremony, suitable programmes during the National Unity Week (observed from 25th to 31st October) may be organized in your State/UT.

4. I would request you to issue appropriate instructions to all concerned to celebrate the "Rashtriya Ekta Diwas" by undertaking suitable activities that may include administering a Pledge (copy enclosed), and holding a "March Past" by State Police and other uniformed forces and agencies on 31st October, 2023. Further, 'Run for Unity' may also be organized at appropriate locations, involving people from all sections of the society. Programmes focusing on national unity and integrity of our nation may also be organized at prisons.

5. The events may be given adequate publicity, so that the message of national unity and awareness about Sardar Patel's stellar contributions to the building of modern India are reinforced.

With regards

Yours sincerely,

Rajiv Gauba

Oath

Sardar Vallabhbhai Patel

Life and Contributions:

Born on October 31, 1875, in Nadiad, Gujarat, Sardar Patel was a prominent leader, lawyer, and statesman. His leadership during the Indian independence movement and his pivotal role in unifying the nation make him a revered figure in Indian history. Patel served as the first Deputy Prime Minister and Home Minister of independent India, and his efforts in persuading princely states to accede to the Indian Union were instrumental in shaping the country's political map.

The Statue of Unity:

One of the most remarkable tributes to Sardar Patel is the Statue of Unity, a colossal statue standing at 182 meters, located in the state of Gujarat. Inaugurated on October 31, 2018, the statue is the world's tallest statue and serves as a symbol of unity and strength. It not only honours Patel's legacy but also promotes national integration and unity.

Celebrations Across the Nation:

The birth anniversary of Sardar Patel is celebrated across India with various events and activities. Government officials, educational institutions, and citizens participate in tributes, seminars, and cultural programs highlighting his life and achievements. The 'Run for Unity' campaign is organized to promote national integration, emphasizing the principles upheld by Sardar Patel.

Relevance in Contemporary Times:

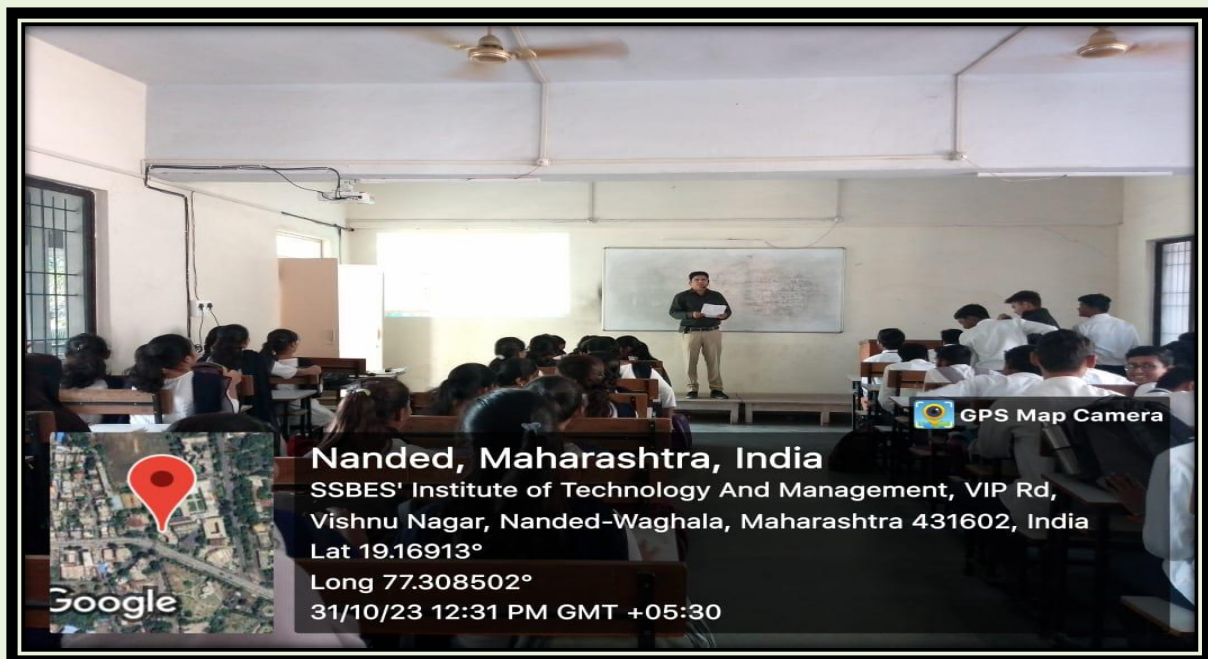

Sardar Patel's principles of unity, integrity, and nation-building remain relevant in the contemporary context. His vision for a strong, united India serves as an inspiration for current and future generations. The celebration of his birth anniversary provides an opportunity for reflection on the values he stood for and their significance in today's socio-political landscape.

Dr. P. A. Kadam giving oath to students.

Key Outcomes:

1. Promotion of Unity and Integration:

- The event celebrated Patel's contributions to India's political unity, which highlighted the importance of national cohesion and integrity. His efforts to unite India's princely states serve as a foundational lesson in the significance of unity for the nation.

2. Participation and Engagement:

- The event was marked by the involvement of students and staff, who took an oath to uphold the values of unity and integrity. This collective participation reinforced the importance of these principles in both educational and national contexts.

3. Educational Awareness:

- The celebration served as an educational platform, where students were informed about the life and contributions of Sardar Patel. Teachers like Dr. P. A. Kadam visited individual classes to discuss Patel's role in shaping modern India and led the students in taking the Unity Day oath.

4. Symbolism of the Statue of Unity:

- The significance of the Statue of Unity, the world's tallest statue dedicated to Sardar Patel, was discussed, promoting the ideals of unity and strength, and reminding participants of the continuing relevance of Patel's vision for a unified India.

5. Nationwide Reflection:

- The event provided an opportunity for reflection on contemporary issues related to national unity, reminding attendees of the relevance of Patel's principles in today's socio-political landscape.

Conclusion:

The birth anniversary of Sardar Vallabhbhai Patel is a time for the nation to come together, pay homage to a visionary leader, and renew its commitment to the principles of unity and integration. As the legacy of Sardar Patel continues to influence the nation, these celebrations serve as a reminder of the shared history and the strength that comes from unity. The National Unity Day celebrations served not only as a tribute to Sardar Patel but also as a platform to renew commitment to national integration and spread awareness of the importance of unity among future generations

OVERVIEW

The Women Empowerment Committee of SSBES's ITM College of Information Technology celebrated International Women's Day 2024 in a grand manner on March 8th at the Special Auditorium.

The program began with greetings from Director Dr. Thorat and HOD Dr. M. M. Bokare, along with the presentation of a bouquet to all the female teaching staff. First-year students were in charge of anchoring, while third-year girl students managed the music system.

In the first round of the program, students drew a chit from a box and gave a speech on the topic written on it. Students delivered beautiful speeches and poems appropriate for the occasion.

The second round was a one-minute game using the same chit pattern and included activities like composing poetry, eating bananas, and writing software names within a minute. The girls were highly appreciated and enjoyed the activities.

All arrangements were made by Ms. Anagha Joshi, Ms. Mayuri Attal, Ms. G. Vaidya, and other college staff members. Ajay Sir collected the necessary items.

Some gifts were reserved for the best performers. The staff members also enjoyed participating in the one-minute game.

This program was enjoyable to watch as it highlighted the value of women through their speeches, time management, speed of work, and logic demonstrated in the one-minute game.

The final thank-you session was led by Ms. Mayuri Attal from CS.

Women day's notice to Students.

Introduction:

International Women's Day, observed annually on March 8th, is a global celebration honouring the social, economic, cultural, and political achievements of women. It also serves as a reminder of the ongoing efforts toward gender equality and the advancement of women's rights worldwide. In this report, we reflect on the significance of Women's Day, highlight key achievements, discuss remaining challenges, and explore avenues for future progress.

Historical Context:

The roots of International Women's Day can be traced back to the early 20th century when women's rights movements began gaining momentum across the globe. The day originated in labor movements and protests for better working conditions and suffrage rights. Over time, it evolved into a day of solidarity and celebration, marked by rallies, marches, and various initiatives to promote gender equality.

Key Achievements:

Women's Suffrage: Significant progress has been made in securing women's right to vote worldwide. Suffrage movements have led to legislative changes, granting women the right to participate in political processes and decision-making.

Education: Access to education for girls has significantly improved in many parts of the world, enabling them to pursue higher studies and professional careers. Efforts to promote girls' education have led to increased literacy rates and greater opportunities for women.

Economic Empowerment: Women's participation in the workforce has increased, with more women occupying leadership positions in various industries. Initiatives promoting entrepreneurship and access to financial resources have empowered women economically.

Legal Reforms: Legal reforms aimed at eliminating discrimination and promoting gender equality have been enacted in many countries. These reforms address issues such as domestic violence, gender-based discrimination in the workplace, and reproductive rights.

Challenges and Opportunities:

Despite progress, challenges persist in the journey toward gender equality. Gender-based violence, unequal access to resources and opportunities, gender stereotypes, and underrepresentation in leadership roles are some of the key challenges women continue to face. Addressing these challenges requires concerted efforts from governments, civil society organizations, and individuals.

Empowering women and girls is not only a matter of justice but also a catalyst for sustainable development. Investing in women's education, healthcare, and economic opportunities not only benefits individuals but also contributes to the overall prosperity and well-being of societies.

Conclusion:

International Women's Day serves as a reminder of the progress made in advancing women's rights and as a call to action to address the challenges that remain. It is a day to celebrate the achievements of women and to reaffirm our commitment to gender equality and women's empowerment. By working together, we can create a world where every woman and girl has the opportunity to fulfill her potential and contribute to a more equitable and inclusive society.
