**Report on Poster Presentation**

The inter college Poster Presentation competition on “Digital India” was organized by the Department of Computer Science to encourage the students to come up with innovative ideas in the field of Information Technology. The competition was organized for BBA And BCA students. The event commenced by introducing judges and participants by Mr. P. P. Joshi sir, Assistant Prof, SSBES’ ITM.

A poster presentation is a way to communicate the research or understanding of a topic in a short and concise format. It helps to improve your skill, Communication, the ability to express the technical views. Poster presentations develop the ability to communicate perceptively and concisely an important workplace skill. The purpose of poster presentation will be shaped by how they are used in the discipline and by the assessment task itself.

A total of 24 students participated in this activity. The objective of the competition was to ignite the fire of imagination and creativity in the students. The theme of the competition was “Digital India”. Students were asked to express their ideas through paintings, sketches and many more. Students displayed their artistic skills through an array of posters with immense enthusiasm and made beautiful posters which described how technology can help society in various sectors and also help in rapid economic growth and citizen empowerment across the globe. All poster’s theme describes that how digital technology can empower every citizen with access to digital services, knowledge and information. All posters were evaluated by our judges.
