To,

Resp. Principal,

Shri Sharda Bhavan Education Society's Institute of Technology & Management,
Nanded

Subject : Regarding Cloud Based College Management System for your esteemed college under Shri Sharda Bhavan Education Society, Nanded.

Respected Sir,

It is with reference to our meeting and subsequent conversation we are pleased to offer integrated centralized cloud based web College Management System for your esteemed college which will eventually bring all colleges of Shri Sharda Bhavan Education Society under one roof.

Key Features of the System:

- **College Management System** **:** Right from Student Registration till TC manage everything at single place. Includes tailor made administration and basis for accounting features where portal will suit your existing processes. Management can have college wise reports and consolidated reports at one place.

- **Important Notes:**
  o Team SETTribe is bound to resolve all run time issues faced by the users of CMS within stipulated time. SETTribe's Incidence Management System (IMS) will be the centralized platform where users can log their complains / issues / bugs faced during the use of the system.
  o SETTribe will duly take care of the confidential student related and financial data of your esteemed college. We will ensure the data confidentiality and integrity at its best by appointing trusted cloud service provider.
  o Customized reports can be generated from the system as and when demanded by the University, JD Office or any such government / regulatory bodies.

Regards,
