An 'Induction-cum-Orientation Programme' was organized to welcome the first-year students who were admitted to BBA, at the Institute of Technology and Management Nanded on 17th June, 2017, where students and parents had been welcomed by the Management and Director of ITM College. The objective of the programme. was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the Institute and ensuring parental participation in monitoring the performance and progress of the students. The day was marked with the presence of Dr. S. B. Throat, Director, SSBES' ITM, Prof. M. S. Altamash, Head, Management Department, Prof. M. M. Bokare, Head, Computer Science Department, Prof. V.P. Joshi Head, Hotel Management Department.

Mr. M. S. Altamash welcomed the Director, SSBES' ITM, students, parents and faculty to ITM. He thanked them for their presence and invited Prof. A.O. Gill to speak.

A.O. Gill, professor of Management department, hosted the students in the first session of the Induction Programme. Mr. A.O. Gill introduced the students to the college, its rules and regulations of college. He delivered a vivid description of the college facilities such as the library, the computer centres, digital lab, practical lab for students etc. He explained the idea of mentoring and its purpose in making the student life easier as well as documented enough to carefully analyze the progress of each and every student. He emphasized on the importance of being engaged in various Management activities. He also urged the students to take their academics seriously and be regular to the classes to keep their attendance in a desirable level.

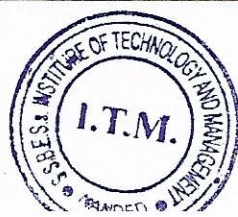

He invited Dr. S. B. Thorat Sir to address the students. He started his sessions by inviting questions from students and asked them to create their opportunities and not to wait for the opportunities. Further he added that no one can motivate humans but we can inspire people with our action. The students can get inspiration from their teachers, parents, and eminent personalities. He also added that a NEGATIVE thought attracts more and positive thoughts get distracted very soon. He gave four main principles for success to the students. He inspired the learners to practice listening skills. Patient listening can change their failure into success. He also raised questions regarding the reasons behind the students who are toppers out of sixty students as they have learnt and practice the patient listening.

He further continued his talk by urging the students again to concentrate more on improving their skills to match that of a professional's and to polish their understanding of the basic subjects to boost their knowledge of Technological subjects that they will face in the upcoming years of their academics. He implores the students to practice positive thinking to keep their minds sharp in order to achieve the maximum of their capabilities. He wished the students well for their maiden academic year in the Consult stream. Finally, he concluded his session by saying that students must have transferrable skills like learning, communicating, teamwork, career management, self-management, critical thinking, and information handling. He also asked the students to build their resume by participating in extracurricular activity, develop a hobby. He urged the students to keep up with the changing trends in education and take their studies in to utmost importance.

While concluding, Dr. S. B. Thorat sir talked about creating positive attitude and vibes around respect the self, respond the self, response to the ability of the self and having a smiling face. Smile is the best way to learn and earn and live life successfully. Finally, he concluded his session by saying that students must have transferrable skills like learning,

INDUCTION-CUM-ORIENTATION PROGRAMME

Conducted By

Mr. A. O. Gill

Dept. of Management, SSBES' ITM, Nanded

Date: 27-09-2021

Time: 11.00 am onwards

Venue: Auditorium, Third Floor,

SSBES' ITM, Nanded

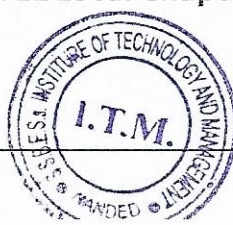

An 'Induction-cum-Orientation Programme' was conducted to welcome the first-year students who were admitted to BBA, BCA and B.Sc. HS at the Institute of Technology and Management, Nanded on 27th September, 2021, where students and parents had been welcomed by the Management and Director of ITM College. The objective of the programme was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the Institute and ensuring parental participation in monitoring the performance and progress of the students. The day was marked with the presence of Dr. S. B. Throat, Director, SSBES' ITM, Prof. M. S. Altamash, Head, Management Department, Prof. M. M. Bokare, Head, Computer Science Department, Prof. V.P. Joshi Head, Hotel Management Department. The Induction program is for making the newly joined students feel comfortable, sensitize them towards exploring their academic interests and activities, reducing stress and making them work for excellence, promote bonding within them, build relations between teachers and students, give a broader view of life and building of character. The Universal Human Values component will be act as an anchor, develops awareness and sensitivity, feeling of equality, compassion and oneness and draw attention to society and nature. It also makes them reflect on their relationship with their families and extended family in the college. It also connects students with each other and with teachers so that they can share any difficulty they might be facing and seek help.

Mr. M. S. Altamash welcomed the Director, SSBES' ITM, students, parents and faculty to ITM. He thanked them for their presence and invited Prof. A.O. Gill to speak.

Mr. A.O. Gill welcomed the parents and students to the institute and congratulated them for securing admission in ITM, Nanded. He took upon his shoulders the greatest responsibility of introducing the age-old heritage of our society and the great history of our institution. He introduced the students and the parents to the Vision and Mission of our institute that focuses on providing quality education to all sectors of the society at an affordable cost. The main highlights of his speech were as mentioned below:

- Our responsibility is to make our students' dream a success.
- He emphasized that Hard work is going to be extremely essential during their 4-year tenure with our institute.
- He highlighted that our institute is NPTEL Local Chapter and is well known for

NPTEL usage

- He highlighted on the efforts the teachers take in using various ICT Tools, Student Centric Method, Smartboard and google forms other than the normal board works.
- He emphasized on the effectiveness of the mentoring system and requested the parents to actively correspond with the mentors for the update about their child.

Mr. A.O. Gill introduced the students to the college, its rules and regulations of college. He delivered a vivid description of the college facilities such as the library, the computer centres, digital lab, practical lab for students etc. He explained the idea of mentoring and its purpose in making the student life easier as well as documented enough to carefully analyse the progress of each and every student. He emphasized on the importance of being engaged in various Management activities. He also urged the students to take their academics seriously and be regular to the classes to keep their attendance in a desirable level.

He invited Dr. S. B. Thorat Sir to address the students. He greeted the gathering. He spoke about the university's focus on quality education and also highlighted the best practices followed by the institute for effective teaching learning process and how it helps in placement and for higher studies. He inspired the new commers on the life skills they could develop during their period of study in the institution. He motivated the students to give their best and utilise the time they spent in the campus towards holistic learning and attaining knowledge in their respective subjects. He insisted that one should possess knowledge, skill and value in their life. While concluding he said that students must have transferrable skills like learning, communicating, teamwork, career management, self-management, critical thinking, and information handling. He also asked the students to build their resume by participating in extracurricular activity, develop a hobby. He urged the students to keep up with the changing trends in education and take their studies in to utmost importance.

Dr. S. B. Thorat Sir while addressing the gathering.

Next students' representatives from UG and PG; were given an opportunity to express their thoughts about the induction program as well as how they felt about joining the institution. Both the students expressed their thoughts positively. They said that they enjoyed the induction programme thoroughly. One of the students expressed her excitement on seeing the virtual campus tour. She said that she was gladly waiting to join the institution in person. While the other student mentioned her happiness, she gained because of the fresher's day and talents day. A few parents were also given an opportunity to express their views. Where one parent stressed upon the facilities, the departments as well as the faculty. The entire program was a great success.

The parents of the students attended, and a selected few addressed the meet. Their words resonated with the reasons why they chose to send their wards to ITM for higher education. He talked proudly about the outstanding academic rigour and educational standard that is maintained by every department on campus. The parents appreciated the smooth functioning of the institution. And there was a mutual exchange of suggestions with an aim to work together and improve the academic performance of their child. The meet came to an end with the conclusion that the progress and development of the students depend on the joint efforts of parents and teachers. For this purpose, parents agreed to keep a close vigilance on the actions of their child, and to keep in constant touch with the mentors. Parents expressed their gratitude and enthusiasm for this interactive session with the faculties which enabled them to get an overview of the education that their ward is going to receive.
