INDEPENDENCE DAY

As has been customary for years, SSBES' Institute of Technology and Management, Nanded celebrates Independence Day on August 15 every year with vigor and excitement. The presence of every employee is mandatory. After the tricolor is unfurled, the National anthem is played. Later students presented patriotic songs and poems. Independence Day is also a solemn reminder to uncountable sacrifices and struggles which people of India under the leadership of great nationalist leaders undertook. All of us are enthralled by a sense of patriotism and devoted service to the country. At the end, sweets were distributed to the students.

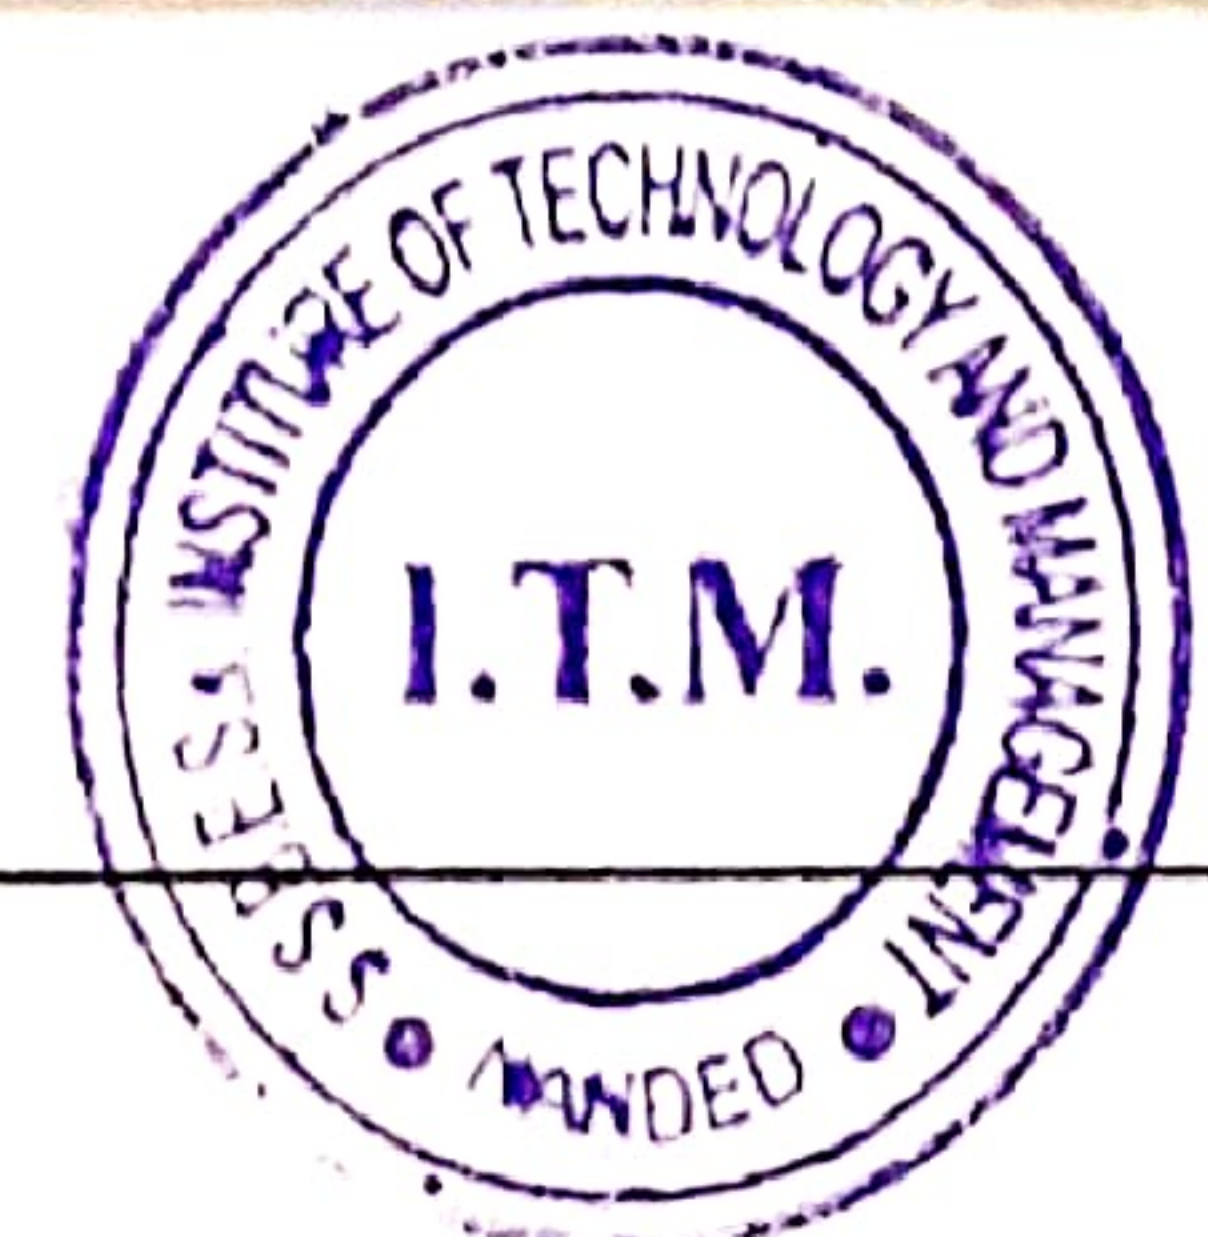

INTERNATIONAL YOGA DAY

The College enthusiastically and fervently celebrated International Yoga Day on June 21. A renowned yoga practitioner was summoned, and he led all of the staff members both teaching and nonteaching through various asanas while astonished everyone in attendance with his incredible grasp of the practice. The Director and employees participated in several yoga poses and actively learned about the various practices that were demonstrated.

NATIONAL YOUTH DAY

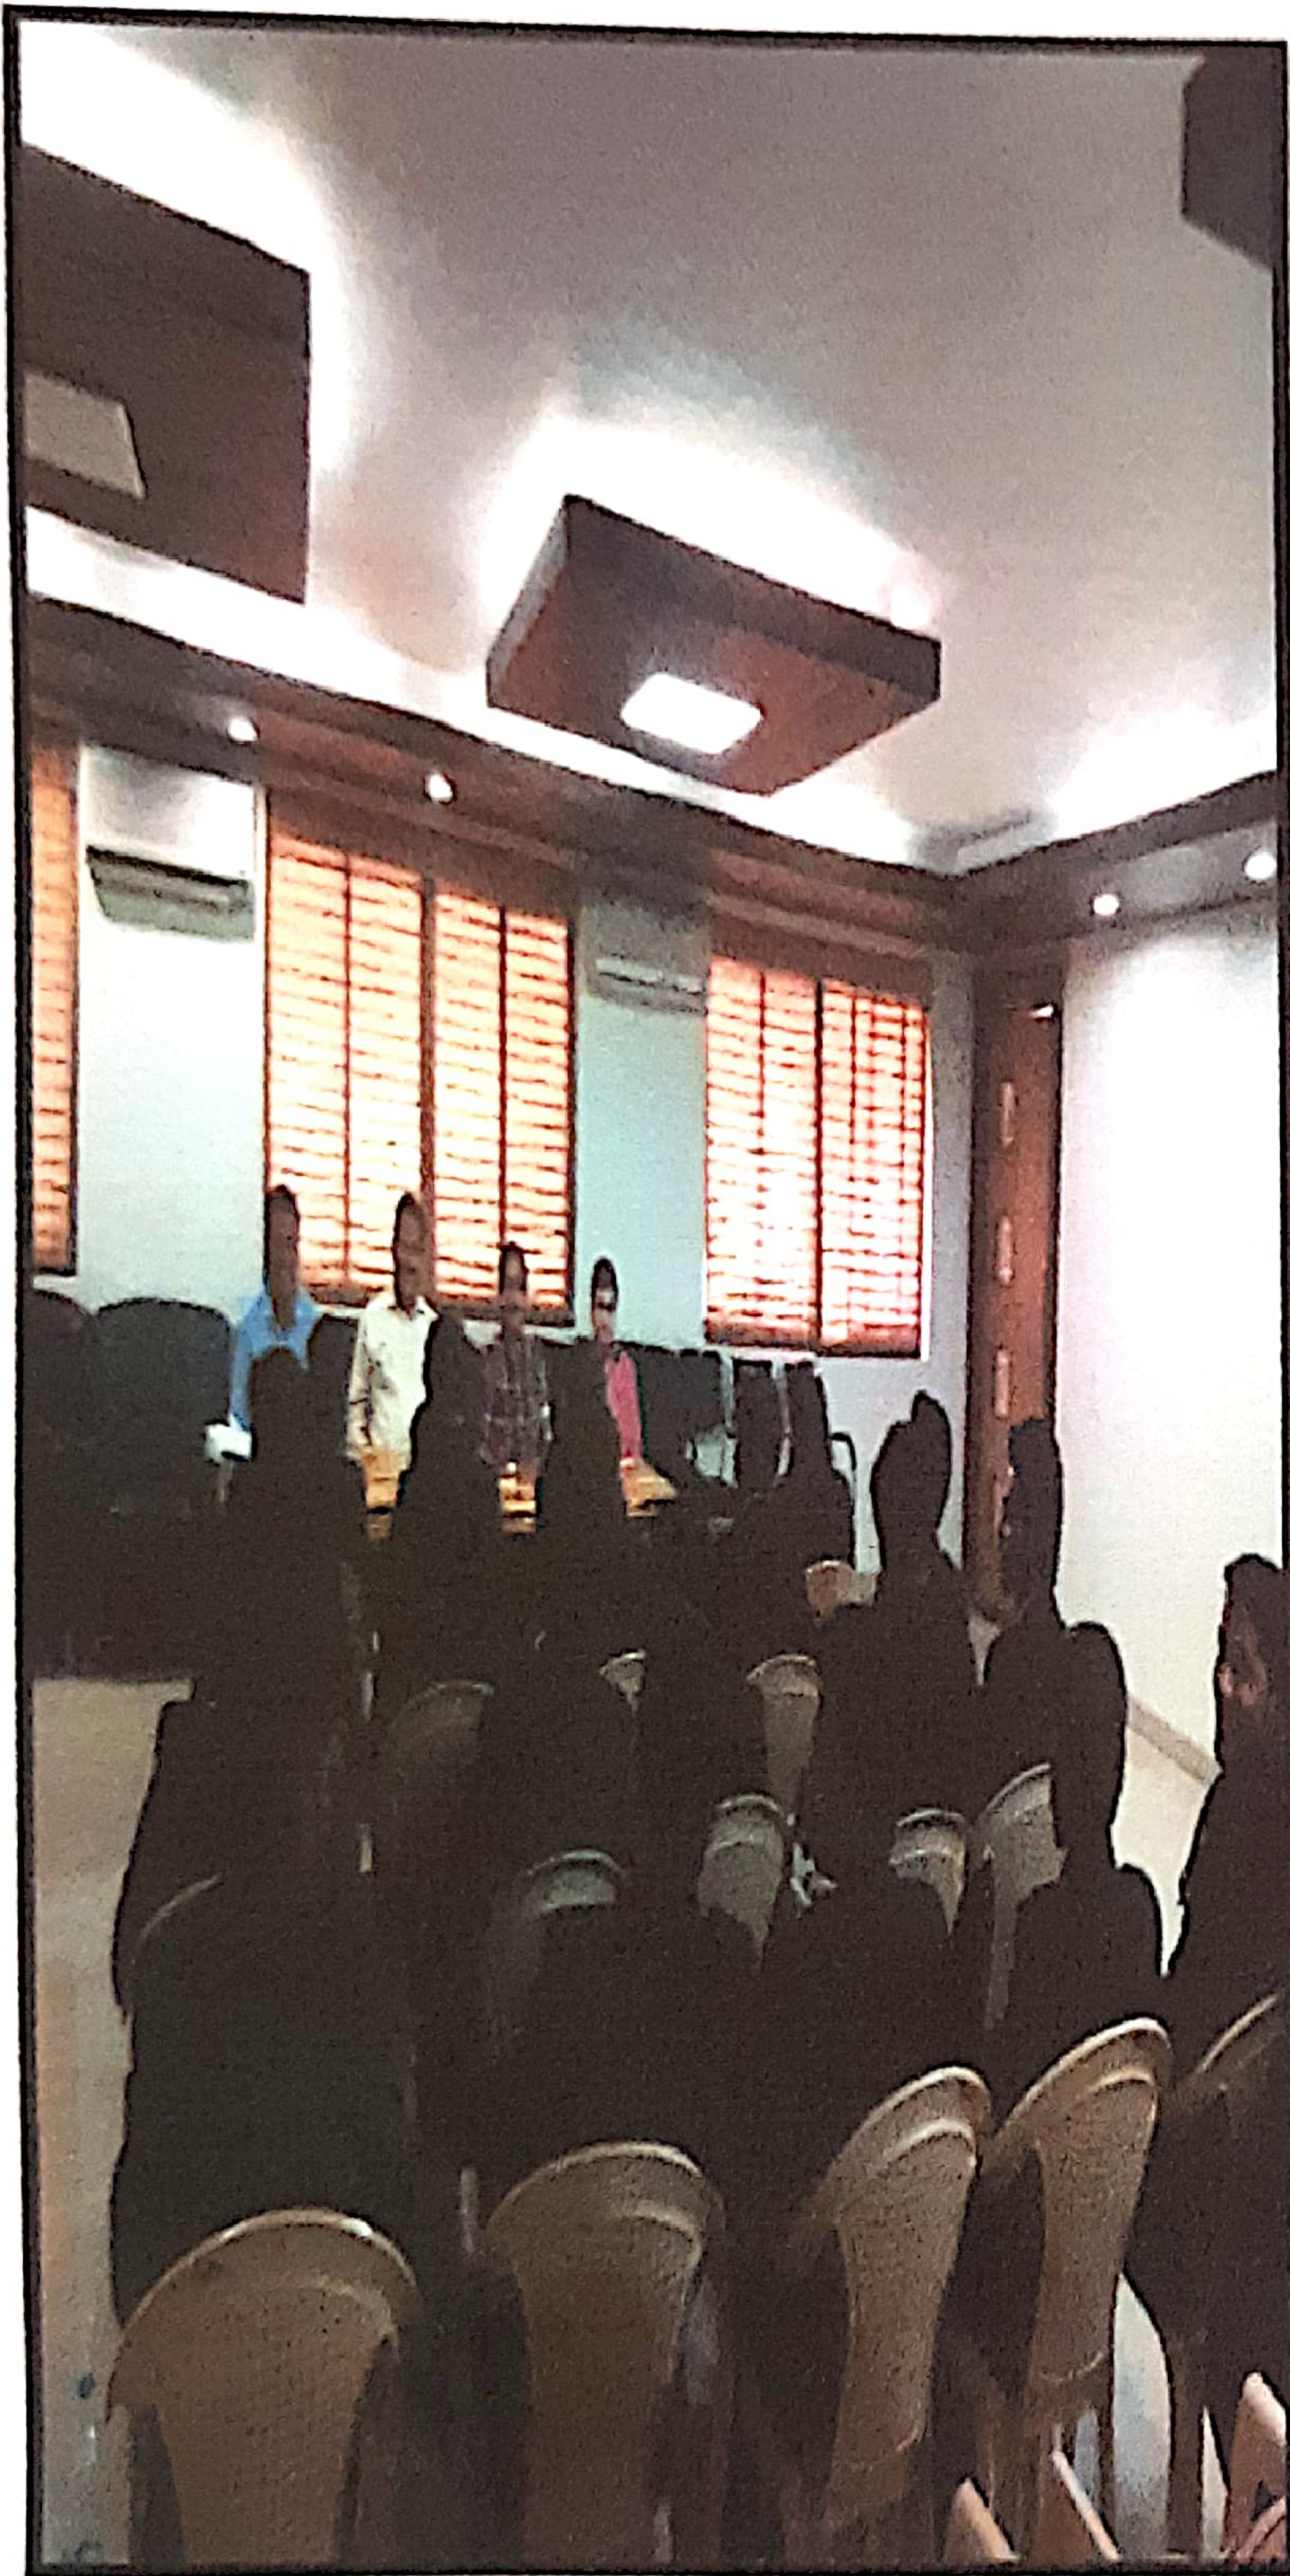

On January 13, National Youth Day, also known as Rashtriya Yuva Diwas, is observed in remembrance of Swami Vivekananda's birth anniversary, one of the greatest philosophers and spiritual figures of all time. National Youth Day raises awareness of and informs people about Indian citizens' rights. It's a day set aside to teach people how to behave appropriately in public.

The major goal of the event was to inspire young people and share Swami Vivekananda's views in order to improve the future of the nation. On January 13, National Youth Day was observed with the theme "Channeling Youth Power for Nation Building." Mr. Santosh Devraye, was the resource person summoned to provide information about Swami Vivekananda's life. Mr. Ganesh Shinde was the other speaker.

WORLD PEACE AND UNDERSTANDING DAY

On February 22, a discussion on world peace and understanding was held. It was emphasized how important it was for there to be world peace and greater understanding between the leaders and citizens of the various nations. The speaker was Mr.V.P. Joshi, who discussed historical occurrences including the World Wars and other wars as well as how countries resolved their differences. The present students learned a great deal about the topic.

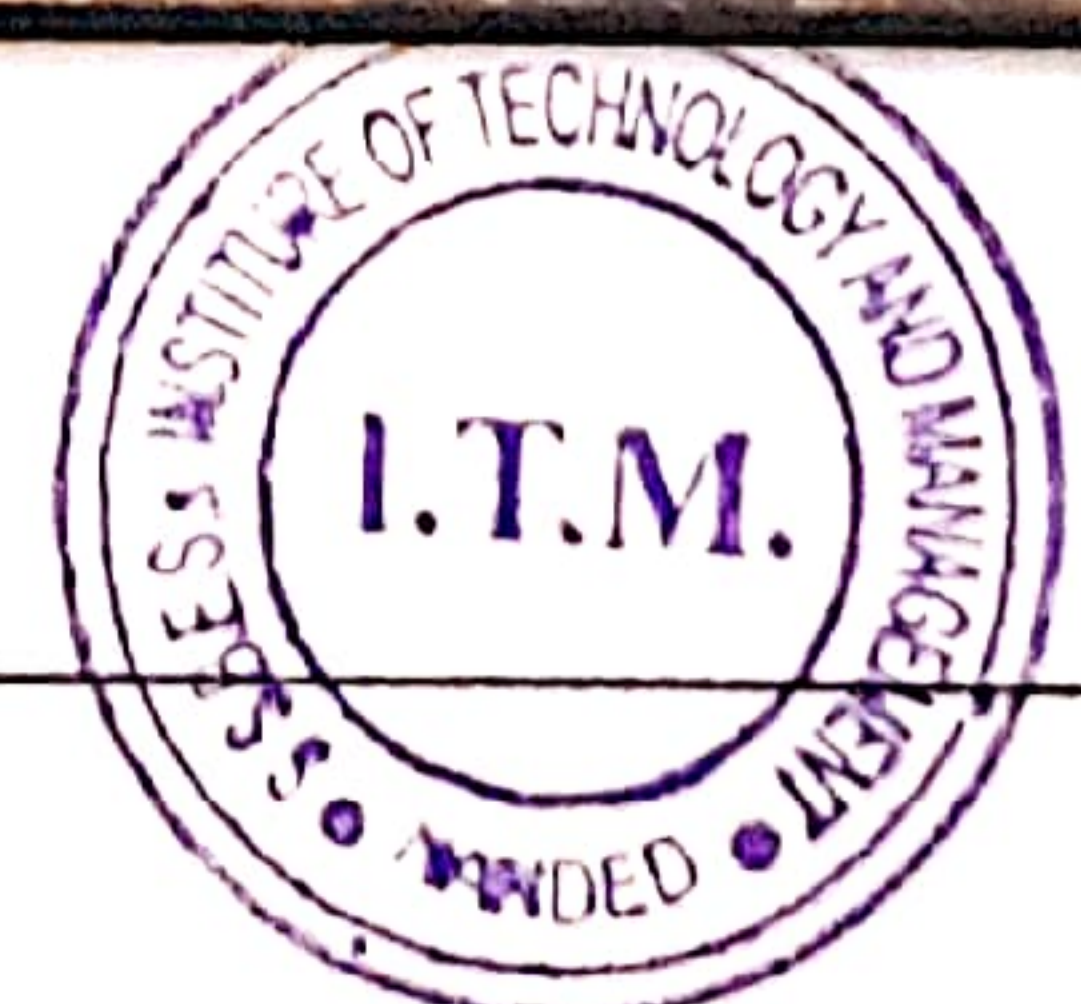

WORLD ENVIRONMENT DAY

On 5th June every year institute organizes the World Environment Day. A time when extreme temperatures, unusual storms and cyclones, and natural disasters constantly remind us of the irreparable damage that has been done to Mother Earth, celebration of such day reminds and offers hope and an opportunity for all of us to contribute to the protection of the environment and the wellbeing of the planet. Plastic Free Campaigning, Tree plantation are some of examples which shows how institute celebrates this day.

TEACHERS DAY

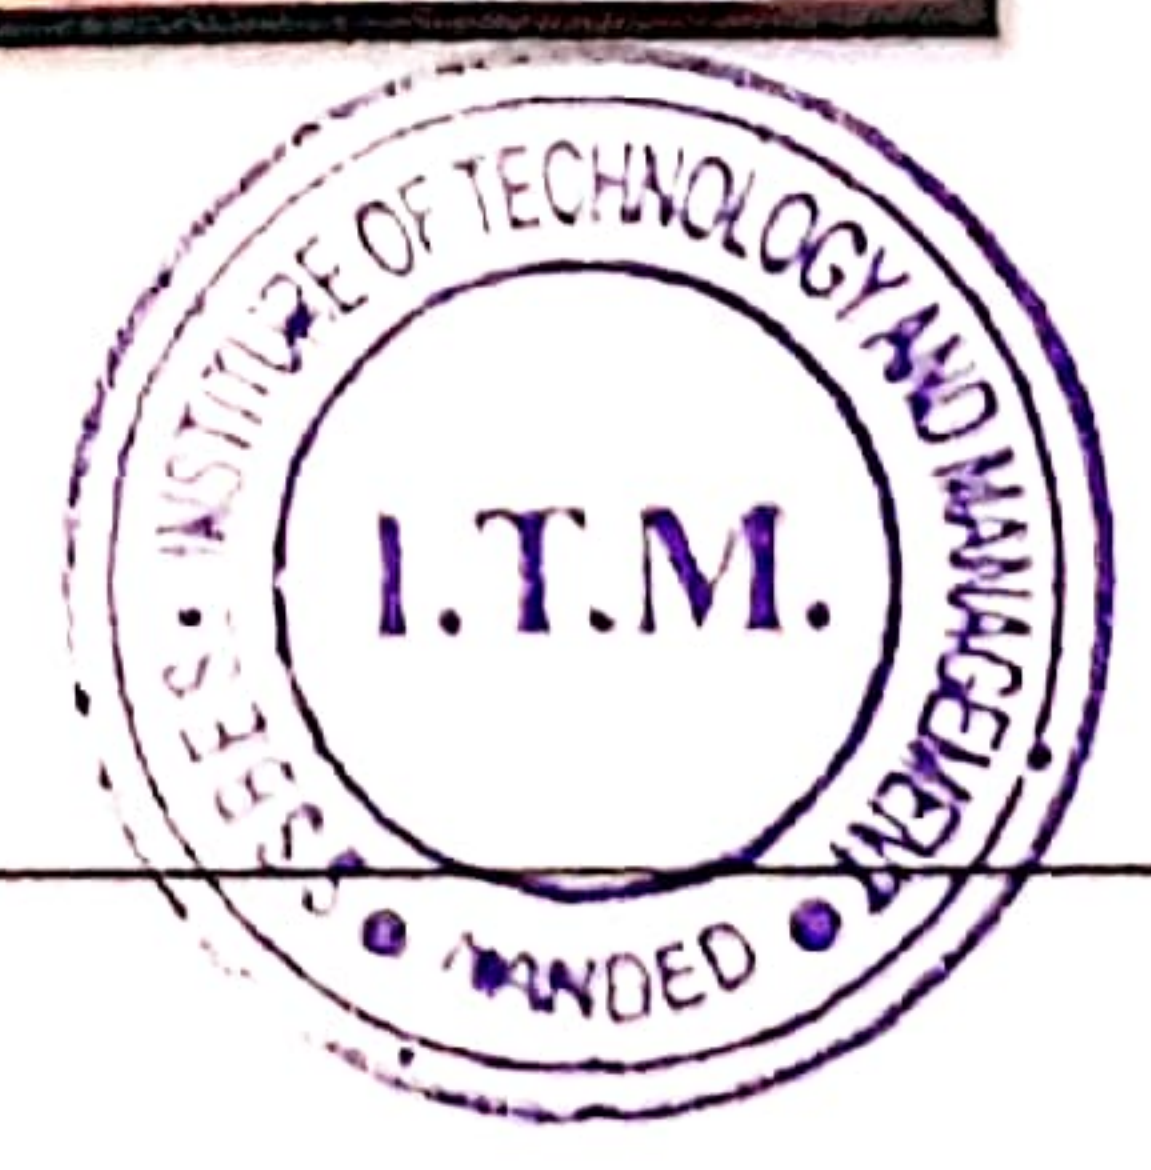

In India, Teachers' Day is observed on September 5 to commemorate Dr. Sarvepalli Radhakrishnan's birth anniversary. The purpose of Teachers' Day is to recognize teachers for their contributions to society and to the lives of their pupils.

Institute encourages students to observe Teachers' Day with a special attachment and attention in order to show their thanks. With the teacher costume, students are inspired and encouraged to play role of teachers. They are permitted to teach lessons in the designated classes after creating the lesson plan. Students gain an understanding of the importance of teachers via the celebration of Teachers' Day and begin to treat them with respect. Students participate actively in managing the classes and acting in the role of teachers. As a result, institute has been observing Teachers' Day in a meaningful way every year.
