REPORT

SEMINAR ON

Gender Equality and Women's Empowerment

A Seminar on the topic "Gender Equality and Women's Empowerment" was delivered by Mrs. Sangita Bhusare at 11:30 am in SSBES's ITM, Nanded on 08/03/2018 and around 50 girls attended the same.

The objective of this Seminar to guide the students about the gender equality and how it can be attained through empowering women in society.

Gender equality is not only a fundamental human right, but a necessary foundation for a peaceful, prosperous and sustainable society. Women empowerment is a critical aspect to achieve gender equality, where both men and women have equal power and opportunities for education, healthcare, economic participation and personal development.

Equality between men and women exists when both sexes are able to share equally in the distribution of power and influence; have equal opportunities for financial independence through work or through setting up businesses; enjoy equal access to education and the opportunity to develop personal ambitions. All this explained by Mrs. Sangita Bhusare in her interactive speech.
