NANDED.

**Cleanliness is next  
to Godliness**

**The Students of ITM College are actively participated in the cleanliness drive**

**Clean India, Green India, is our dream India the ITMs College students always follow the same**

Cleanliness means keeping ourselves neat and clean by avoiding dirt.

It is the best practice to keep everything clean.

According to the type of things, we can divide cleanliness into various types such as cleaning of clothes, cleaning of streets, cleaning of surroundings, cleaning of houses, cleaning of person, personal cleanliness, etc.

In order to maintain our personal cleanliness, we need to practice cleanliness very carefully and make it a most important habit.

It is very necessary to maintain the cleanliness of surrounding together with our personal cleanliness.

We should understand the importance of cleanliness and do practice of cleaning ourselves and surrounding areas

Cleanliness is one of the most important cleaning habits for human being in order to live a healthy and happy life. It is a best quality everyone needs to have or develop with time.

Following cleanliness helps us in keeping our body and mind very energetic, active, fresh and healthy.

It keeps us away from the diseases as it is the part of healthy civilization.

If we follow this habit all through our life regularly we will always be free from infectious diseases.

Cleanliness makes us fit and smart with a cheerful mind. It gives us lots of confidence, progress and improvement in all the spheres of life.

By following cleanliness we move gradually towards the divinity.

That's why, it is well said that

**"Cleanliness is next to Godliness".**

**Staff Members of ITM college were also actively involved in drive with students**

**Neat and clean is the perfect scene.**

**The Main area of Nanded city is cleaned by the students and Staff Members of ITM**

**The Temple of Maralak Village is cleaned by students of ITM College Under Cleanliness Drive**

It is truly said that 'Cleanliness is Next to Godliness'.  
Cleanliness is a step which leads us towards godliness.  
It is a good habit as it keeps our body, mind and everything clean around us.

We should practice it regularly from the early life.  
The real meaning of cleanliness is to keep our body, mind, soul, home, surrounding areas, clothes, environment, etc clean.

It is the habitual act which keeps us away from dirt and diseases as well as helps us to maintain good health including personal and environmental hygiene.

Cleanliness is the state of being clean and free from dirt.  
It is the process of achieving and maintaining cleanliness through regular practice.

Cleanliness is the moral quality which leads us towards real health, beauty, confidence and happiness.

It is the ongoing procedure requires a set of habits to be followed on regular basis.

Maintenance of cleanliness is very essential for the social life.

Cleanliness is a good characteristic of people who maintain it and prevent things from dirt.

**The Godavari River side is cleaned at Vishnupuri by staff and Students of ITM College Nanded**

**Students of ITM college were cleaning the ZP Primary School, Maralak, Nanded.**

**Staff and Students of ITM actively involved in cleanliness drive arranged at Godavari River Side at Vishnupuri Nanded.**

**Start from Our Home i.e. Student cleaned our college campus**

Cleanliness is really very important for having a healthy mind, body and spirit.

It is our duty to keep us, things we use, places we use, surrounding areas, environment and other related things very clean.

It is first and foremost duty to be clean.

We must clean our teeth, face, hands, feet, hair and whole body.

We should get up early in the morning, get fresh, clean our home and surrounding areas, and take bath.

We must well wash our hand with soap and water before taking each food and after toilet.

If we do not take bath daily, we will suffer itching and other diseases of skin.

**Cleanliness is everyone's duty to enhance the nature's beauty.**

**Dr.S.B.Thorat , Mr.Pranav Joshi actively involved in drive.**

**Cleanliness doesn't results instantly but will result definitely.**
